

TRAINING ON SOFTWARE MODULE

Three standalone software modules namely "Approval System", "Permission System" and "National Safety Award System" were developed and latest versions were uploaded in DGMS website www.dgms.gov.in on 01.01.2017. A training programme for the use of software module "Approval System" was organized on 06.07.2017 at Dhanbad. Twenty five officers and staff members from DGMS were participated in the training programme.
