All Gr. "A" Officers of DGMS

Sub: Submission of revised choice of posting for Rotational Tenure Transfer -2022-reg.

Sir,

Choices of posting were obtained from the eligible officers of this Directorate after the recent approval of the Online Transfer policy by the Ministry. The said online transfer policy is available on the internal website of DGMS. The necessary process to develop online portal for effecting transfers as per the approved transfer policy is initiated and may take time to implement. The choices received earlier this year were referred to the Ministry but ministry has advised to obtain revised choices from the eligible officers as per the "Grading of posts for group 'A' officers in DGMS". The grading of posts along with the transfer policy and status of posts vacant are available on the internal section of DGMS website. The vacant posts shall be filled up in accordance with the transfer policy and grading of posts (in descending order).

In view of the above, the eligible officers are requested to give their revised choices of posting in order of preference on or before 19.06.2022 to the undersigned at dir.sdhq1@gmail.com. You are advised to visit internal section of DGMS website before filling up the choices.

Yours faithfully,

13/06/2022
