NORTH WESTERN ZONE UDAIPUR	I have worked in Metalliferous Domain Area in my previous posting in DGMS and utilize my experience in the respective field and it is very near to my native / home town.

41	NARESH GOVIND PHULE	WESTERN ZONE,NAGP UR	DMS(MECHAN ICAL)	WESTERN ZONE,NAG PUR	South Central Zone (SCZ), Hyderab ad	South Central Zone (SCZ), Hyderabad is my first choice of posting due to the following reasons:  1. As my son is presently studying in class XI in Nagpur and going to class XII in next academic session i.e.; April, 2022 to March, 2023. His CBSE registration for class XII has already been done in the school situated in Nagpur. So, it essential that he will continue his schooling from Nagpur itself and as such my family too shall stay in Nagpur.  2. My daughter is studying in Indian Institute of Science Education and Research, Pune and she is presently attending her classes in online mode from Nagpur due to Covid-19 pandemic.  3. Further, my old age mother who is living with me in Nagpur and totally depends upon me for her day to day activities. It is very difficult for her to travel long distances. It is very painful for her to acclimatize to drastically different climatic conditions from that of Nagpur where she has lived all her life. As I am her only son left alive to look after my old age mother residing in Nagpur. It will be helpful for me if I should be posted in Hyderabad as the distance between Nagpur and Hyderabad is comparatively less to travel within one day and it is well connected by rail & road to deal with any emergency arises as compared to other places of posting.	South Eastern Zone (SEZ), Ranchi	South Eastern Zone (SEZ), Ranchi is my second choice of posting for the reasons stated above in first choice of posting as Ranchi is well connected to Nagpur via both railways and air travel routes.	North Western Zone (NWZ), Udaipur	-
