महोदय,

In reference to above-mentioned letter on the subject matter, please find below choices of posting with appropriate justification.

Preference	Place of Posting	Justification for posting
First	Western Zone, Nagpur	(i) Both my parents are Senior citizens and are residing in Vadodara District of Gujarat State. My mother had suffered paralytic stroke in recent past and need utmost attention, care and support. My elder brother being settled in abroad, I have the responsibility to take care of both of them and had to frequently visit them and support them during their medical treatments and other house hold activities. For this reason, I need to stay at any of the three preferred zones as they are having better air connectivity to Vadodara, Gujarat State as well as my hometown in Kerala State.
Second	South Central Zone, Hyderabad	(ii) Had past work experience in Underground Metalliferous mines. Also, had good exposure of Opencast Metalliferous Mines, Oil & Gas Mines and Open cast Lignite mines during my current posting at North Western Zone, Udaipur. Hence, I am ready to relocate to any of the mentioned zones where I will be able to contribute better for enhancing safety in mines across any of the above-mentioned fields which shall be covered under my jurisdiction.
Third	Northern Zone, Ghaziabad	

Submitted for kind perusal and consideration please.
