Sir,

In response to your letter No.07(01)2008/Adm.I/11190 dated 11.12.2020, I am submitting herewith my three choices of posting in order of preference in the prescribed proforma.

Preference	Place of posting	Justification for posting
First	Bhubaneswar	My Mother is widow and has health problems. In present situation it is not feasible to keep my Mother with me for taking proper care of her as I am staying alone at my place of posting because my wife is working as Assistant Professor in an engineering college at Bhubaneswar and staying there alone with our only daughter of 9 years of age. If I will be posted at Bhubaneswar Region, I can stay with my family and keep my Mother with us for better health care of her and her desire to live with her eldest son can be fulfilled.
Second	Ranchi	Ranchi is nearer and has good communication facility to Bhubaneswar and my home town at Angul, Odisha.
Third	Udaipur	As the last option I will shift my family to my place of posting. I am choosing Udaipur as there are some underground metal mines in the area and I have special interest in underground metal mining.

Yours faithfully,

(Manoj Kumar Sahoo)
